# TESTIMONIALS

As a Realtor, I have been advertising with New View Media Group for years now and have done so for the results we get for our Sellers. The papers are read, we get calls and the exposure consistently drives brand recognition for our business. New View Media has been and will continue to be a part of my marketing program!

Debra Burke, Realtor, Sales Associate  
Coldwell Banker

New View Media is amazing! Business has grown since advertising with them. On top of that their customer service is the BEST! You'll never regret advertising with them!

Marie, owner of Pink Jewels

I opened Mt. Olive Acupuncture in Mt Olive and advertised in the Mt Olive News, Randolph News, Roxbury News and Hackettstown News. In my first week I received calls and booked 5 new patients. I ran my Grand Opening ad and the open house was a success. I was fully booked the following week. Every patient I spoke with told me that they saw the ad in the newspapers. I never imagined how a local newspaper ad could bring in so many new patients. I will continue to run ads in the newspapers. I am amazed at the response I have received from the ads, it was well worth the investment made!

Kearstin Tripi, LAc

## Family Kitchen Ravioli

MANUFACTURERS OF HIGH QUALITY PASTA PRODUCTS

Over the past couple of years, we have run advertisements in several publications of the New View Media Group around the holidays. The staff was extremely helpful and did an amazing job designing our advertisement! We have acquired many new and loyal customers since promoting our coupons. It's also great to circulate advertising in different towns to attract more customers.

Paul Rallo, Owner Family Kitchen Ravioli

I have been in advertising in New View Media Groups publications every month for more than 4 years now and am pleased with the response I get for my Dental practice. Although I have been getting new patients who come in after reading the advertisement. I receive consistent feedback from patients seeing my ads and realize how important it is to keep our name out there. The Randolph, Mt Olive & Roxbury News have been a big benefit for my practice. I look forward to my continued advertising in the Randolph, Roxbury & Mt. Olive News.
